BREADSTICKS MACHINE MANUFACTURER

Italpan is a chief breadsticks machine manufacturer that produces high speed bread stick machines to ease your pastry work. These machines are highly efficient in producing breadsticks of all lengths and diameters.

EASY TO USE AND CLEAN

The machine is simple and hence easy to operate as it is mounted on wheels fitted with brakes to facilitate movement within the bakery. All parts of this machine are certified to contain foodstuffs and are therefore safe to handle your pastry work.

IMPROVE BREADSTICKS PRODUCTION

Italpan breadstick machines are professionally made of strong materials and stainless steel that provides you with exceptionally long machine life with breakdowns. Purchasing Italpan breadstick machines brings to your bakery the quality, efficiency, durability and simplicity in your overall pastry work.
