COMMERCIAL DOUGH SHEETER MANUFACTURER

Italpan is an Italian commercial dough sheeter manufacturer that supplies you with highly efficient machines for working your doughs. Our machines are stainless and of heavy duty construction to guarantee you durability and and cut down your regular maintenance costs.

SAFE COMMERCIAL DOUGH SHEETERS

Italpan dough sheeters are power efficient and safe to use, and are therefore economical compared to others. Safety of these machines is ensured through a fitted fuse that regulates power use to avoid electric faults.

EASY TO USE MACHINES

Simplicity of these machines is also a major consideration by Italpan, making them convenient for use by semi-skilled and skilled pastry workers. These machines also have a high work rate, ensuring that your pastry work is faster and more efficient.
