MIXER FOR BAKERY MANUFACTURER

Italpan is a leading mixer for bakery manufacturer located in Italy, and has proved to be an outstanding supplier of highly reliable bakery mixers. These machines are made of stainless steel and hence safe for handling pastry. The spiral mixer is one of the major types of mixers manufactured by Italpan.

RELIABLE MIXERS FOR BAKERY

These machines are fitted with a huge power reservation to conserve power use in your bakery. Building these machines is done using heavy duty construction, that demand minimal maintenance costs.

SAFE AND EASY TO USE MACHINES

An emergency stop is also fitted in the machines in case the grid is inactive for safety purposes. Technical specifications for these machines are excellent, with a large bowl that can handle large water and flour capacities for high production.
