SHEETER MACHINE MANUFACTURER

Our Sheeter machines surpass the expectations of professional pastry and bakery shops. Some of our quality Sheeter machines are as follows.

SHEETER SF/500-600

This is an easy to clean machine that works on all types of dough: it has calibrated rolling cylinders and is chromium plated with hard chrome. This machine is equipped with an accident proof safety guard to maintain safety while in use. The machine is fully mobile and is supplied with either a stainless or painted steel base.

BENCH SHEETER SF 500/710-950

This machine is small in size and is meant for use in small areas. As a Sheeter machine manufacturer, we only produce quality products.
